### **Notice of Highly Qualified**

We would like to confirm that Elverado CUSD 196 Title I schools have 100% highly qualified teachers in the areas of concern for No Child Left Behind requirements. If you have any questions regarding this, please call the superintendent's office at 568-1321.

### **Notice of Non-Discrimination and Complaint**

As per board policy 5:10: Notice is given that Elverado District #196 does not discriminate on the basis of race, sex, color, national origin, or disability in admission or access to its programs and activities.

### **Notice of Official Handbook**

This handbook is a summary of the school's rules and expectations and is not a comprehensive statement of school procedures. The Board's comprehensive policy manual is available for public inspection through the district's website. There are always circumstances, guidelines, and situations that cannot be directly addressed in this handbook. In those cases, decisions will be made with this handbook, board policy, and the Illinois School Code as guiding documents and the best interests of student safety and learning as the priority.

## INTRODUCTORY INFORMATION & GENERAL NOTICES

We use a phone messaging service to relay information to parents throughout the year—including school closings. **PLEASE make sure you are receiving those and make every effort to keep a current phone number on file with the office of your child(ren)'s school.**

### 1.00 -- **SCHOOL OPERATIONS DURING A PANDEMIC OR OTHER HEALTH EMERGENCY** (Cross Reference: *PRESS 4:180, Pandemic Preparedness; Management; and Recovery*)

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably. Your child's school and district play an essential role, along with the local health department and emergency management agencies, in protecting the public's health and safety during a pandemic or other health emergency.

During a pandemic or other health emergency, you will be notified in a timely manner of all changes to the school environment and schedule that impact your child. Please be assured that even if school is not physically in session, it is the goal of the school and district to provide your child with the best educational opportunities possible.

Additionally, please note the following:

1. All decisions regarding changes to the school environment and schedule, including a possible interruption of in-person learning, will be made by the superintendent in consultation with and, if necessary, at the direction of the Governor, Illinois Department of Public Health, local health department, emergency management agencies, and/or Regional Office of Education.
2. Available learning opportunities may include remote and/or blended learning. Blended learning may require your child to attend school on a modified schedule.
3. Students will be expected to participate in blended and remote instruction as required by the school and district. Parents are responsible for assuring the participation of their child. Students who do not participate in blended or remote learning will be considered truant.
4. All school disciplinary rules remain in effect during the interruption of in-person learning. Students are subject to discipline for disrupting the remote learning environment to the same extent that discipline would be imposed for disruption of the traditional classroom.
5. Students and parents will be required to observe all public health and safety measures implemented by the school and district in conjunction with state and local requirements.
6. During a pandemic or other health emergency, the school and district will ensure that educational opportunities are available to all students.
7. School personnel will work closely with students with disabilities and other vulnerable student populations to minimize the impact of any educational disruption.
8. Students who have a compromised immune system, live with an individual with a compromised immune system, or have a medical condition that may impact their ability to attend school during a pandemic or other public health emergency should contact school officials.
9. During a pandemic or other health emergency, teachers and school staff will receive additional training on health and safety measures.
10. In accordance with school district or state mandates, the school may need to conduct a daily health assessment of your child. Parents and students will be notified of the exact assessment procedures if this becomes necessary.
11. Parents should not send their child to school if their child exhibits any symptoms consistent with the pandemic or other health emergency.
12. Please do not hesitate to contact school or district officials if you have any concerns regarding your child's education, health or safety.

Due to health concerns surrounding the current pandemic, we encourage families to exercise caution regarding school attendance. If a student is ill or showing symptoms associated with COVID-19, please stay home and communicate with the school.

### 1.40 – **VISITORS (Buildings are locked during the school day. Please buzz in at the main door of EJHS.)**

All visitors, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors should identify themselves and inform office personnel of their reason for being at school. Due to safety concerns and possible disruption to the educational process, students are not permitted to bring guests to school. State law requires individuals (including parents and guardians) who visit the school, to report to the office so that their presence may be identified and understood by school personnel. Any unauthorized visitors will be asked to leave the property. Local police will be asked to assist when unauthorized visitors fail to leave when asked.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

Visitors to the school and on school-sponsored trips must obey all school rules and regulations. This includes rules regarding smoking on school property. Visitation by pupils from other schools are usually not allowed. Visitors create a hardship for both teachers and pupils. In Vergennes it is important to buzz in and speak with the office before entering the intermediate building. The secretary will direct you if you need to also sign in the office. Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school. Parents/Guardians are also encouraged to make lunch arrangements and deliveries prior to the start of school. Takeout meals and fast food lunches are discouraged and cause great disruption and distraction to other students. Any deliveries (lunches, forgotten homework, etc.) should be taken directly to the office and will be given to your child at the earliest convenience or break in the child's school day. Deliveries should not be made to the child's classroom.

Parents and guardians are always welcome, but any person wishing to confer with a staff member should contact that staff member to make an appointment. Conferences with (1) teachers, (2) the principal, or (3) to visit their children's classes are held, to the extent possible, outside school hours or during the teacher's conference/preparation period. ALWAYS CHECK IN THE MAIN OFFICE (at EJHS) UPON ARRIVING AT SCHOOL!

No person on school property or at a school event shall perform any of the following acts:

1. Strike, injure, threaten, harass, or intimidate a staff member, board member, sports official or coach, or any other person.
2. Behave in an unsportsmanlike manner or use vulgar or obscene language.
3. Unless specifically permitted by State law, possess a weapon, any object that can reasonably be considered a weapon or looks like a weapon, or any dangerous device.
4. Damage or threaten to damage another's property.
5. Damage or deface school property.
6. Violate any Illinois law or municipal, local or county ordinance.
7. Smoke or otherwise use tobacco products.
8. Distribute, consume, use, possess, or be impaired by or under the influence of an alcoholic beverage, cannabis, other lawful product, or illegal drug.
9. Be present when the person's alcoholic beverage, cannabis, other lawful product, or illegal drug consumption is detectible, regardless of when and/or where the use occurred.
10. Use or possess medical cannabis, unless he or she has complied Illinois' Compassionate Use of Medical Cannabis Act and district policies.
11. Impede, delay, disrupt, or otherwise interfere with any school activity or function (including using cellular phones in a disruptive manner).
12. Enter upon any portion of school premises at any time for purposes other than those that are lawful and authorized by the board.
13. Operate a motor vehicle: (a) in a risky manner, (b) in excess of 20 miles per hour, or (c) in violation of an authorized district employee's directive.
14. Engage in any risky behavior, including roller-blading, roller-skating, or skateboarding.
15. Violate other district policies or regulations, or a directive from an authorized security officer or district employee.
16. Engage in any conduct that interferes with, disrupts, or adversely affects the district or a school function.

**1.50 – EQUAL OPPORTUNITY AND SEX EQUITY** (Updated: November 2009)

Equal educational and extracurricular opportunities are available to all students without regard to race, color, nationality, sex, sexual orientation, gender identity, ancestry, age, religious beliefs, physical or mental disability, status as homeless, or actual or potential marital or parental status, including pregnancy.

No student shall, based on sex or sexual orientation, be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or denied equal access to educational and extracurricular programs and activities.

Any student or parent/guardian with a sex equity or equal opportunity concern should contact the District Superintendent.

**1.60 – ANIMALS ON SCHOOL PROPERTY** (Updated: February 2010)

In order to assure student health and safety, animals are not allowed on school property, except in the case of a service animal accompanying a student or other individual with a documented disability. This rule may be temporarily waived by the building principal in the case of an educational opportunity for students, provided that (a) the animal is appropriately housed, humanely cared for, and properly handled, and (b) students will not be exposed to a dangerous animal or an unhealthy environment.

**1.70 – SCHOOL VOLUNTEERS** (Updated: November 2009)

All school volunteers must be approved by the building principal prior to assisting at the school. Some teachers utilize parent volunteers in the classroom. The individual teachers make this decision. Teachers who desire parent volunteers will notify parents. For school-wide volunteer opportunities, please contact the building principal.

Volunteers are required to check in and out at the main office before going to their destination. (PRESS 6:250, Community Resource Persons and Volunteers)

**1.80 – INVITATIONS AND GIFTS [K-8]** (Updated: February 2010)

Party invitations or gifts for classmates should not be brought to school to be distributed. Items such as these are of a personal nature and should be mailed home using the list in the school directory. The office is unable to release addresses and phone numbers of students who are not listed in the school directory.

**1.85 – TREATS AND SNACKS [K-8]** (Updated: February 2010)

Due to health concerns and scheduling, treats and snacks for any occasion **must be arranged in advance with the classroom teacher**. All treats and snacks must be store bought and prepackaged in individual servings. No homemade treats or snacks are allowed at school. Treats and snacks may not require refrigeration and must have a clearly printed list of ingredients on the packaging. We strongly encourage you to select a treat or snack with nutritional value.

**1.90 – EMERGENCY SCHOOL CLOSINGS** (Updated: November 2009)

In cases of bad weather and other local emergencies, please listen to any local radio or television station to be advised of school closings or early dismissals. School closings for any reason will be announced as soon as reasonably possible with School Messenger or TeacherEase. Closing will also be posted on the district website and can be sent to you via text message if requested. If bad weather or other emergency occurs during the day, please listen to local media stations for possible early dismissal information.

For your child's safety, make certain your child knows ahead of time where to go in case of an early dismissal.

If we dismiss early for an emergency, all after-school functions are automatically canceled.

**1.100 – VIDEO AND AUDIO MONITORING SYSTEMS** (Updated: February 2009)

A video and/or audio monitoring system may be in use on school busses and a video monitoring system may be in use in public areas of the school building. These systems have been put in place to protect students, staff, visitors and school property. If a discipline problem is captured on audiotape or videotape, these recordings may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the tape may be provided to law enforcement personnel. (PRESS 4:110, Transportation)

**1.120 – STUDENTS WITH FOOD ALLERGIES** (Updated: November 2009)

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal at (618) 684-3527.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means. (PRESS 7:285, Food Allergy Management Program)

**1.130 – CARE OF STUDENTS WITH DIABETES** (Updated: February 2011)

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal. Parents/guardians are responsible for and must:

- a. Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- b. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- c. Sign the Diabetes Care Plan.
- d. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the building principal.

**1.140 – SUICIDE AND DEPRESSION AWARENESS AND PREVENTION** (Updated February 2016)

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

## **ATTENDANCE, PROMOTION, & GRADUATION**

### **EXPECTATIONS**

The policy of the Board of Education shall be to promote and require regular attendance in assigned classes of all students within the District. In recognition of the variety of factors, which may affect student attendance, the following limits shall prevail:

Any student, who is absent 10% of the school attendance days per month or five consecutive days without discernible cause, will be turned in to the Truancy Division of the Regional Superintendent of Schools office. Doctor's verification will be required when students miss due to extended illness or a doctor's or dentist appointment. Students who miss more than 10% of school days will also be required to produce a doctor's excuse in order for additional absences to be excused. This will be enforced. **Absences are detrimental to student grades and overall academic progress. Excessive absences can result in retention. Students who are absent without cause and are unexcused will not be allowed to make up work for credit. This will greatly impact a student's grades.**

**2.10 – ATTENDANCE** (Updated: December 2018)

Illinois law requires that whoever has custody or control of any child between six (by September 1st) and seventeen years of age shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session (unless the child has already graduated from high school). Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session. (PRESS 7:70, Attendance and Truancy)

**2.20 – STUDENT ABSENCES** (Updated: December 2018)

There are two types of absences: excused and unexcused. Excused absences include: illness, observance of a religious holiday or event, death in the immediate family, family emergency, situations beyond the control of the student, circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, attending a military honors funeral to sound TAPS, or other reason as approved by the building principal.

Additionally, a student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.

All other absences are considered unexcused. Pre-arranged excused absences must be approved by the building principal.

The school may require documentation explaining the reason for the student's absence.

In the event of any absence, the student's **parent/guardian is required to call the school at 618-684-3527 before 8:30 a.m. to explain the reason for the absence.** If a call has not been made to the school by 10:00 a.m. on the day of a student's absence, a school official will call the home to inquire why the student is not at school. If the parent/guardian cannot be contacted, the student will be required to submit a signed note from the parent/guardian explaining the reason for the absence. Failure to do so shall result in an unexcused absence. Upon request of the parent/guardian, the reason for an absence will be kept confidential. (PRESS 7:70, Attendance and Truancy)

#### **EXCUSED ABSENCES:**

The student is permitted to make up work when absences are excused. **For an absence to be excused, the parent must notify the school within two days following the child's return to school.** Examples for excused absences are:

- a. Sickness – personal or immediate family - *According to the guidelines from the Illinois Department of Public Health, students who have a fever, vomiting, diarrhea, or contagious disease must stay home 24 without the use of medications before symptoms have been gone 24 hours. Students must be fever free for 24 hours without the use of medications before returning to school. These guidelines are necessary to protect the health of the students and to control the spread of colds and illnesses. Please refer to the Communicable Disease Guide distributed by the Illinois Department of Public Health for further information.*
- b. Death in the family
- c. Emergency situations
- d. Medical or dental appointments (**Doctor's note required—please bring in if absence for even a portion of the day**)
- e. Absences related to parent in active military duty (as per policy on page 17)
- f. Circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety.
- g. Student is attending a military honors funeral to sound TAPS.

*If students are absent between 30 minutes and 3 hours of the school day, they will be counted absent for ½ day. Students absent for more than 3 hours of the school day will be counted as a full day absence. Students who arrive at school after the start of classes will be counted as tardy and will serve the consequences for being tardy.*

#### **PRE-ARRANGED ABSENCES:**

The pre-arranged voluntary absence procedure enables a parent to withhold his/her student from school for an approved reason. **Absences must be arranged at least 4 days in advance with the principal in order for the students to be excused and the Pre-Arranged Absence form must be completed and submitted to the principal for approval. The following procedures should be followed:**

1. The student must not have been absence for more than 10% of accumulated school days.
2. The Pre-Arranged Absence form must be submitted to each of the student's teachers for approval, signature and current grades. Teachers will in turn, as possible, provide assignments for the student.
3. The form must be approved and signed by the parents/guardians, after grades and attendance are recorded and then returned to the office a minimum of four days prior to absence for approval by the principal.
4. Parents/Guardians are expected to ensure that all assignments are completed and submitted upon first day of return.
5. Failure to meet all of the above guidelines will result in non-approval. If the absences are not approved by the principal, they will be deemed unexcused resulting in zeroes for all missed work.

#### **UNEXCUSED ABSENCES:**

Unexcused absences are given to students whose excuses are not listed above. Students who receive unexcused absences will not be able to make up missed work for a grade. Repeated unexcused absences will be reported to truancy and **may also result in a student failing to promote to the next grade.** Examples of unexcused absences are:

1. No parent telephone call or note following the absence
2. Absences for shopping or hair appointments
3. Extended or frequent absences due to illness, **unverified by physician (all absences above 10% without documentation)**
4. Doctor or dentist appointments with no verification
5. Vacation or other absences not listed above that are not **pre-approved** by the administration (see pre-arranged absences below)

#### **STUDENT PARTICIPATION IN SCHOOL ACTIVITIES**

A student will be permitted to participate in extracurricular activities if the absence is considered excused for reasons other than illness. Students will not be allowed to participate if the absence is considered unexcused. Students absent due to illness must be in attendance the second half of the school day to be allowed to participate in or attend any extracurricular activities for the day. Students in violation of this policy will be subject to progressive consequences as outlined in the behavior guidelines.

#### **2.30 – RELEASE TIME FOR RELIGIOUS INSTRUCTION AND OBSERVANCE** (Updated: August 2017)

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student's parent/guardian must give written notice to the building principal at least 5 calendar days before the student's anticipated absence(s).

Students excused for religious reasons will be given an opportunity to make up all missed work, including homework and tests, for equivalent academic credit. (PRESS 7:80, Release Time for Religious Instruction/Observation)

#### **2.40 – MAKE-UP WORK** (Updated: February 2016)

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work. (PRESS 7:70, Attendance and Truancy)

## **EIS & EJHS GUIDELINES**

As soon as students return to school after an absence, **they must make arrangements with their teachers to make up the missed work.** Students will be allowed one-day make-up time for each day of an excused absence. The first day's work will be due on the 2<sup>nd</sup> day the student returns to school, etc. It is the student's responsibility to contact the teachers and make the necessary arrangements.

Students should arrange, when possible, for a classmate to bring their schoolwork to them when they are absent. Parents may also pick up missed work in the school office between 2:30-3:30 p.m. Request for the student's work to be sent home or picked up must be made to the office by noon on the day of the absence. When a student is excused from classes for another activity (baseball, softball, basketball, Beta Club, student council, art, music events, etc.), they are to turn in all assignments due that day before leaving. These assignments are not considered make-up work and will be considered unprepared.

### **2.50 – TRUANCY** (Updated: December 2018)

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district.

Students who miss more than 1 % but less than 5% of the prior 180 regular school days without valid cause (a recognized excuse) are truant. Students who miss 5% or more of the prior 180 regular school days without valid cause are chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

Additional absences beyond this may result in; referral to the truancy officer, reporting to officials under the Juvenile Court Act, referral to the State's Attorney, and/or appropriate school discipline. A student who misses 15 consecutive days of school without valid cause and who cannot be located or, after exhausting all available support services, cannot be compelled to return to school is subject to expulsion from school.

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law. (PRESS 7:70, Attendance and Truancy)

## **TRUANCY OR IRREGULAR ATTENDANCE**

**The single most important factor in any student's opportunity to work up to his/her ability is regular attendance.** It is impossible to teach a student who is absent from class. Each student is expected to attend every class of every school day unless circumstances of personal health or compelling family matters make such attendance impossible. Illinois law also requires that whoever has custody or control of a child who is enrolled in school, regardless of child's age, shall assure that the child attends school during the entire time school is in session. Any parent/guardian who knowingly and willfully permits a child to be truant is in violation of State Law. Absence from school or classes without valid cause during a school day or portion thereof is legally regarded as truancy and excess must be reported to regional enforcement agencies.

Teachers record attendance for every student for every day. Timely reports are made to the school principal and, as may be necessary, to parents/ guardians. It is the responsibility of parents to assure that their children are in regular attendance at school. **Absence from school or classes without valid cause during a school day or portion thereof is legally regarded as truancy and excesses must be reported to regional enforcement agencies.** Undocumented prolonged absences due to illness will also be reported and considered unexcused. Students are not allowed to make up work from unexcused absences.

## **LEAVING SCHOOL**

1. Pupils shall not leave the school grounds at any time during the school day without knowledge and consent of the principal.
2. Pupils desiring to go home due to sickness or injury must get permission from their teacher to go to the office. Permission to contact parent and/or to leave will be given by the principal. Students should not contact parents without permission. Students should never use cell phones for this purpose. Consequences will be given for students who violate this rule.
3. **Students who attend a partial day, are required to check in with the teachers whose classes were missed to acquire that day's lessons to be made up before the next attendance day.** If the first part of the day is missed, the student should check in with those teachers between classes, or during the Extra Opportunities/RtI Block at the end of the day. Students who leave early for an appointment or are sick, should check in with their afternoon teachers before leaving, to take home work they will miss in class that day.
4. Pupils are urged to make medical and dental appointments outside of school hours. If it is necessary, you should bring a note from home signed by a parent or guardian, stating the place, time and date of appointment. This should be brought to the office before first period. Upon returning, a note from the doctor or dentist office is required in order for the absence to be excused.
5. Late bus students must report to the late bus supervisor for attendance check immediately after school. Late bus students wishing to leave school with a parent must inform the late bus supervisor. Late bus students wishing to leave school with anyone other than a parent must present the late bus supervisor with a parent permission note with the date and specified person. More permanent arrangements can be made with the principal or secretary as needed.
6. Students may not walk home for lunch. They may leave only if a parent signs them out in the office for each lunch absence.
7. Parents are encouraged to follow traffic patterns in the school lot and must park in the assigned areas. They may not wait in the area designated for bus traffic.

8. Students who are picked up by parents after school will not be dismissed until after the buses have left. Parents are encouraged to pick up their children after 3 p.m. on regular attendance days.
9. For student safety, parents should not drive between buses or turn around in front of the buses after school. Please wait until the buses have left.

**2.60 – GRADING AND PROMOTION** (Updated: November 2009)

School report cards are issued to students on a quarterly basis. For questions regarding grades, please contact the classroom teacher.

The decision to promote a student to the next grade level is based on successful completion of the curriculum, attendance, performance on standardized tests and other testing. A student will not be promoted based upon age or any other social reason not related to academic performance. (PRESS 6:280, Grading & Promotion)

**ACADEMIC PERFORMANCE**

**1. Honor Roll:** The honor roll has two levels: high honors and honors. High Honors requires a grade point average of 4.50 or higher, and Honors requires a grade point average between 4.00 and 4.49. Core subjects are used for honor roll.

**2. Classroom Grading Scale**

99-100 = A+	93-98 = A	90-92 = A-
87-89 = B+	83-86 = B	80-82 = B-
77-79 = C+	73-76 = C	70-72 = C-
67-69 = D+	63-66 = D	60-62 = D-
0-59 = F		

**3. Letter/GPA Equivalency Scale**

A+ = 5.0	A = 4.7	A- = 4.3
B+ = 4.0	B = 3.7	B- = 3.3
C+ = 3.0	C = 2.7	C- = 2.3
D+ = 2.0	D = 1.7	D- = 1.3
F = 0.0		

**4. Parental Notification of Academic Performance**

- a. Students are expected to notify parents (keep them informed) of their academic progress and daily work. Parents are encouraged to check student planners and our online grade program regularly. A “U” signifies an unprepared assignment.
- b. Parents are encouraged to schedule conferences with the teachers. Parents can also check grades online. They must ask for a password from the office for this service.
- c. At the end of the 5<sup>th</sup> week of a quarter, a midterm grade report will be given to all students. The midterm will require parent/guardian signature and return. These dates are on the calendar.
- d. Grade cards/Report Cards will be sent home with the students at the end of each quarter. These dates are on the calendar.
- e. **Extra credit will not be given to a student who has not completed regular daily assignments or those who have unexcused absences.**

**2.70 – HOMEWORK** (Updated: November 2009)

Homework is used as a way for students to practice what they have learned in the classroom. The time requirements and the frequency of homework will vary depending on a student’s teacher, ability and grade level.

**LATE WORK POLICY:** Students at EIS and EJHS are expected to complete all assigned homework and turn in by the assigned due date for full credit. Students who fail to complete work fully on time will be allowed to turn it in the follow day—but with a 50% reduction in grade and will be given a U in the planner for Unprepared. They will also be assigned to noon workroom to complete the assignment. A zero will be given for work not completed within this time line.

**2.80 – EXEMPTION FROM PE REQUIREMENT [K-8]** (Updated: December 2018)

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request.

A student in grades 7-8 may submit a written request to the building principal requesting to be excused from physical education courses because of the student’s ongoing participation in an interscholastic or extracurricular athletic program. The building principal will evaluate requests on a case-by-case basis.

Students with an Individualized Education Program may also be excused from physical education courses for reasons stated in Handbook Procedure 10.301.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practices Act, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student’s participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

Students who have been excused from physical education shall return to the course as soon as practical. (PRESS 7:260, Exemption from Physical Education)

**2.100 – HOME AND HOSPITAL INSTRUCTION** (Updated: November 2019)

A student who is absent from school, or whose physician, physician assistant or licensed advance practice registered nurse anticipates his or her absence from school, because of a medical condition may be eligible for instruction in the student’s home or hospital.

Appropriate educational services from qualified staff will begin no later than five school days after receiving a written statement from a physician, physician assistant, or licensed advanced practice registered nurse. Instructional or related services for a student receiving special education services will be determined by the student’s individualized education program.

A student who is unable to attend school because of pregnancy will be provided home instruction, correspondence courses, or other courses of instruction before (1) the birth of the child when the student’s physician, physician assistant, or licensed advanced practice nurse indicates, in writing, that she is medically unable to attend regular classroom instruction, and (2) for up to 3 months after the child’s birth or a miscarriage.

For information on home or hospital instruction, contact the building principal. (PRESS 6:150, Home and Hospital Instruction)

**PARENTAL INVOLVEMENT (TITLE 1)** - The school annually has a meeting for all Parents/Guardians. The time and place for this meeting will be posted on the school website. At the meeting, the school will discuss parental involvement, and opportunities for Parents/Guardians to get involved in the education of their children. Parents/Guardians are encouraged to attend the meeting and participate in the discussions that occur. Parents/Guardians should use the meeting as an opportunity to ask questions, make suggestions, and learn about all of the opportunities and programming available for Parents/Guardians to be fully involved in the educational process. The school and its teachers provide meetings, including parent/teacher conferences, at flexible times to accommodate a variety of parent schedules. Parents/Guardians will be given notice of meeting availability at the beginning of each year, and at least two weeks before conferences or other regularly scheduled meetings, to provide sufficient opportunity to schedule and attend meetings with teachers. Additionally, teachers are available regularly to meet with parents/guardians to discuss the success of their child. Parents/Guardians are encouraged to inquire about available meeting times, and to work with teachers. Parents/Guardians will be involved in an organized and timely way when any programs are created, considered, or altered, and will be continually involved in the ongoing development of programming, curriculum, and policy. The state's resources on parental involvement can be located at <http://illinoisparents.org/>. The state's website on parental involvement provides information, training, and support for parents and schools on various websites which may be useful or interesting to parents and students, and provides advice and information about how to get involved and participate in the educational process. Resources are provided by search, by county, and by categorical query.

**GRADUATION REQUIREMENTS**

In order to advance from one grade to the next a student must not fail, in any combination 2 full credits of core classes or enrichment classes in one school year or in two consecutive years. Credits will be measured as 1/4 per quarter class and 1/2 per semester in semester classes or 1 per full year course.

A student transferring from another school into the Junior High must meet the same requirements from the date he/she enrolls. If the former school is a recognized school, his/her grade placement shall remain the same. Grades transferred from the previous school will be averaged with the Elverado Junior High grades to determine promotion.

**STUDENT FEES & MEAL COSTS**

**ACADEMIC MATERIALS RENTAL** - A textbook rental fee is required of each pupil when he/she enrolls on the opening day of school. The rental fee is set annually by the Board of Education. Grade cards will be withheld until fees are paid. Fees are nonrefundable. Students who qualify for free or reduced lunch and have completed the paperwork will be eligible for a waiver for these fees.

**DUES AND FEES** - Parents are expected to pay all dues and fees in a timely manner. Book rental, sports fees, breakfast/lunch bills, extra-curricular expenses, and other bills are incurred throughout a school year. Some extra fees may be supplemented through our Booster Club or other parent sponsors. Please check with the school if there is a bill you cannot pay. Payment plans can be set up. Prior to the end of each school year, Parents/ Guardians will be notified of all outstanding dues and fees owed the district. Failure to make restitution or establish a payment agreement by the last day of student attendance will force Elverado CUSD #196 to pursue collection through small claims. The parent/guardian will be liable for all legal fees incurred by the district associated with small claims collection in addition to outstanding dues or fees. Students who have outstanding debt will not be allowed to participate (walk) in graduation ceremonies at the end of 8<sup>th</sup> and 12<sup>th</sup> grades.

**3.10 – FEES, FINES & CHARGES; WAIVER OF STUDENT FEES (Updated: December 2018)**

Illinois law now gives school districts two options with respect to school fee waiver applications. Option #1 allows a district to use students' application for free meals. Previously, this was the only option available to school districts and requires schools to follow guidelines of the free meals program to determine students' eligibility for a fee waiver. Option #2 now establishes a new application process to determine students' eligibility for a fee waiver. This second option is still based on the same income guidelines established by the federal meals program, but allows a district more flexibility in verifying the information in students' fee waiver applications. This model policy follows new option #2. This procedure is consistent with the Illinois Association of School Board's PRESS Service

The school establishes fees and charges to fund certain school activities. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, and/or equipment.

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. As student is eligible for a fee waiver if at least one of the following prerequisites is met:

The student currently lives in a household that meets the free lunch or breakfast eligibility guidelines established by the federal government pursuant to the National School Lunch Act; or

The student or the student's family is currently receiving aid under Article IV of the Illinois Public Aid Code (Aid to Families of Dependent Children).

The building principal will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

The building principal will notify the parent/guardian promptly as to whether the fee waiver request has been granted or denied. Questions regarding the fee waiver application process should be addressed to the building principal.

Pursuant to the Hunger-Free Student's Bill of Rights Act, the school is required to provide a federally reimbursable meal or snack to a student who requests one, regardless of whether the student has the ability to pay for the meal or snack or owes money for earlier meals or snacks. Students may not be provided with an alternative meal or snack and the school is prohibited

from publicly identifying or stigmatizing a student who cannot pay for or owes money for a meal or snack. (The Hunger-Free Students' Bill of Rights Act applies to all schools that participate in the United States Department of Agriculture child nutrition program.)

### 3.20 – **SCHOOL LUNCH PROGRAM** (Updated: November 2009)

Breakfast is served every school day from 7:30 to 8:05 a.m. Lunch is served every school day from 10:50 a.m. to 12:20 p.m., except when there is an early dismissal.

The cost of lunch is \$2.75 per day. Breakfast cost is \$1.50 per day and reduced breakfast cost is 30¢ per day. Parents may send payment by the week or month. (Example: lunch for a five-day week would be \$13.75 and a typical month of 20 school days would be \$55). Adjustments will be made to each lunch account for absences, holidays, or other non-pay days. Individual milks cost 30¢ each. **We will notify you of any changes in the prices.**

Free or reduced price meals are available for qualifying students. For an application, contact the building secretary or principal. (PRESS 4:130, Free and Reduced-Price Food Services)

### **FOOD SERVICE AND MEALS**

The cafeteria will be in operation on each school day; menus will be provided. A government Type A breakfast/lunch with milk will be served.

Guidelines and application forms for free and reduced lunches are available in the office and may be requested at any time during the school year. If the family's income changes because of a strike or temporary layoff, it is possible that the child will be eligible for free or reduced lunches during that period of time. The application will be reviewed and you will be notified of approval or denial. In case of denial, you will be given reasons for the decision. Students should give their lunch money to the school secretary or homeroom teacher. Please put the student's name, homeroom teacher's name and amount enclosed in an envelope with the lunch money payment. (This is the best way to make sure that a child's account is credited.)

**Important:** Lunch charges must not go past \$25. Students cannot charge any amount above the \$25 cap. Students will be given an ID card that is scanned in the cafeteria when food is purchased. For more information regarding district lunch policies, please see BOE Policy 4:45 regarding debt collection and the district meal charge policy. Meals can be prepaid at any time and can be prepaid online. Unpaid balances will be sent to debt collection and students with balances will not be allowed to participate in graduation ceremonies. All payments the final week of school must be paid in cash.

**Basic guidelines for lunch:** Food may not be taken out of the cafeteria. Students are expected to clean their immediate eating area prior to leaving the cafeteria. Lunches brought to school will not be put in the refrigerators. Therefore, all items in student's lunches should not need refrigeration. Sodas will not be available for purchase during the lunch hour. Students can purchase milk. Students are encouraged to bring healthy choices in their lunches. Microwaves are available for use by junior high students on most days. *Please note:* Breakfast times are prior to the start of the school day. *Students must eat immediately upon their arrival at school.*

**Breakfast times are: 7:30-8:00 with classes beginning promptly at 8:10 at EIS and EJHS.**

### **STUDENT FINES**

The pupil shall be held responsible for payment of damage to equipment, furnishings, books, and damage to the building from his/her misconduct, violation of instructions, or established rules and regulation. The pupil is responsible for payment of fines assessed because of his/her loss, excessive wear or damage of school rental property. Loss of a lock for the locker, damage or loss of textbooks and library books falls under this category.

## **TRANSPORTATION & PARKING**

### 4.10 -- **BUS TRANSPORTATION** (Updated: February 2016)

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smart phones, and other electronic devices must be silenced on the bus unless a student uses headphones
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.

7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact the building principal.

#### **4.15 – BUS CONDUCT** (Updated: January 2016)

Students are expected to follow all schools when riding the school bus. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

#### **BUS SAFETY**

Students, while riding buses of Elverado School District # 196, are under the jurisdiction of the school bus driver unless the administration has designated another teacher or adult. Bus safety regulations for students are part of the regular school rules and behavior on the bus is subject to regular school consequences. The rules are as follows:

1. It is possible that students will be given an assigned bus seat. They will be responsible for sitting in their assigned seat. Damage to the seat will result in consequences for the assigned rider as per #8.
2. Windows must not be lowered further than the marked line.
3. Students must not leave their seats, stand up or kneel in the seats while the bus is in motion.
4. Students must remain in the bus in the event of a road emergency until the driver gives instructions.
5. Students must be quiet when approaching and crossing a railroad.
6. Throwing objects on the bus is not allowed. Students must never throw things out of the windows of the bus. Damage to the bus or another vehicle as a result of throwing objects from the windows could result in legal charges or fines to the individual student and his/her family.
7. Treat bus equipment as you would your own valuable furniture at home. Never tamper with the bus or any of its equipment. Students who vandalize, cut or destroy bus seats will be responsible for the cost of replacing the seat cover and/or foam. As of 5/30/2010, the cost to replace a seat cover is \$25 and the cost for replacing seat foam is \$32. Prices are subject to change.
8. No animals or pets are to be carried on the bus.
9. Only those students who are eligible may ride the bus.
10. Cell phone use on the bus is limited as per driver's request. Students may not for any reason play music from a cell phone or other source on speakers. Music must be limited to players that allow the use of headphones and must be kept at volume that cannot be heard by others. Sharing of headphones is not allowed. Students may not "flash" or otherwise cause a light distraction with a cell phone or electronic device on the bus -including cameras. Such distractions will result in the confiscation of the device by the driver. Confiscated devices will be returned only to the parent and may have to be claimed in a school office.
11. Once a student gets on the bus the driver must deliver him/her either to the school or his/her home. Students may not get off at stops other than the one they have been assigned without proper permission and notes from the office.
12. When it is necessary to cross a two-lane highway, students should proceed to a point at least ten feet in front of the bus on the right shoulder of the highway where traffic may be observed in both directions. They must then wait for a signal from the bus driver permitting safe crossing.
13. Students riding the bus for field trips, sports events, music functions, and any other extracurricular activity must obey the safety rules the same as any daily rider. All school rules are in effect for these bus events.
14. Students are expected to treat bus drivers with the same level of respect and attention to direction as they do any other teacher, administrator, or adult working for the district. Disrespect will be reported and consequences will be given.

*Any student breaking the bus safety regulations may be suspended and/or expelled from riding the bus. They are also subject to all school rules and consequences as stated in the handbook. Student safety is our highest priority and students may not jeopardize the safety of others by disregarding bus regulations. Riding the bus is a privilege that can be lost. Any bus suspension given extends to all buses on all routes and extracurricular buses, as well. This could cause an athlete to miss a game or a student to miss a field trip.*

## HEALTH & SAFETY

### 5.10 – IMMUNIZATION, HEALTH, EYE & DENTAL EXAMINATION (Updated: May 2019)

#### Required Health Examinations and Immunizations

All students are required to present appropriate proof of a health examination and the immunizations against, and screenings for, preventable communicable diseases within one year prior to:

- Entering kindergarten or the first grade;
- Entering the sixth and ninth grades; and
- Enrolling in an Illinois school for the first time, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grades 6 and 12. A diabetes screening must be included as part of the health exam (though diabetes testing is not required). Students between the age of one and seven must provide a statement from a physician assuring that the student was "risk-assessed" or screened for lead poisoning. Beginning with the 2017-2018 school year, an age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination.

Failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.

New students who register mid-term have 30 days following registration to comply with the health examination and immunization requirements. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

#### Eye Examination

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. Failure to present proof by October 15, allows the school to hold the student's report card until the student presents: (1) proof of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15.

#### Dental Examination

All students entering kindergarten, second, sixth and ninth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. Failure to present proof allows the school to hold the child's report card until the student presents: (1) proof of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15.

#### Exemptions

A student will be exempted from the above requirements for:

1. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;
3. Health examination or immunization requirements on medical grounds if a physician provides written verification;
4. Eye examination requirement if the student's parent/guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist; or
5. Dental examination requirement if the student's parent/guardian shows an undue burden or a lack of access to a dentist.

#### **5.20 – STUDENT MEDICATION** (Updated: November 2019)

Taking medication during school hours or during school-related activities is prohibited unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child by completing a "School Medication Authorization Form."

No school or district employee is allowed to administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed School Medication Authorization Form is submitted by the student's parent/guardian. No student is allowed to possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this procedure.

#### **Self-Administration of Medication**

A student may possess and self-administer an epinephrine injector (e.g., EpiPen®) and/or an asthma inhaler or medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

Students who are diabetic may possess and self-administer diabetic testing supplies and insulin if authorized by the student's diabetes care plan, which must be on file with the school.

Students with epilepsy may possess and self-administer supplies, equipment and medication, if authorized by the student's seizure action plan, which must be on file with the school.

Students may self-administer (but not possess on their person) other medications required under a qualified plan, provided the student's parent/guardian has completed and signed a School Medication Authorization Form.

The school district shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the school district and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

#### **Administration of Medical Cannabis**

In accordance with the Compassionate Use of Medical Cannabis Program, qualifying students are allowed to utilize medical cannabis infused products while at school and school events. Please contact the building principal for additional information. Discipline of a student for being administered a product by a designated caregiver pursuant to this procedure is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

#### **Undesignated Medications**

The school may maintain the following undesignated prescription medications for emergency use: (1) Asthma medication; (2) Epinephrine injectors; (3) Opioid antagonists; and (4) Glucagon. No one, including without limitation, parents/guardians of students, should rely on the school or district for the availability of undesignated medication. This procedure does not guarantee the availability of undesignated medications. Students and their parents/guardians should consult their own physician regarding these medication(s).

#### **Emergency Aid to Students**

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

### **STUDENT MEDICATION (continued)**

All prescribed medications must be checked in to the main office. **All medicine that is not on file and in possession of a student will be considered an infraction of the drug/alcohol policy.**

Students must have the proper form on file for all medications including Tylenol or aspirin. Prescribed medication also requires a note from the physician. Dosage amount and schedule must be included in a parental note. Students cannot be given non-prescription medication without consent of the parent/guardian. Students will be allowed to carry inhalers as needed. Please file the necessary paperwork with the office if your child has a need to carry an inhaler.

#### **5.30 – GUIDANCE & COUNSELING [K-8]** (Updated: November 2009)

The school provides a guidance and counseling program for students. The school’s counselors are available to those students who require additional assistance. (PRESS 6:270, Guidance and Counseling Programs)

#### **5.40 – SAFETY DRILL PROCEDURES AND CONDUCT** (Updated: May 2019)

Safety drills will occur at times established by the school board. Students are required to be silent and shall comply with the directives of school officials during emergency drills. There will be a minimum of three (3) evacuation drills, a minimum of one (1) severe weather (shelter-in-place) drill, a minimum of one (1) law enforcement drill to address an active shooter incident, and a minimum of one (1) bus evacuation drill each school year. There may be other drills at the direction of the administration. Drills will not be preceded by a warning to the students. (PRESS 4:170, Safety; PRESS 4:170-API, Comprehensive Safety and Crisis Program)

#### **5.50 – COMMUNICABLE DISEASE** (Updated: November 2009)

The school will observe recommendations of the Illinois Department of Public Health regarding communicable diseases. Parents are required to notify the school nurse if they suspect their child has a communicable disease.

In certain cases, students with a communicable disease may be excluded from school or sent home from school following notification of the parent or guardian.

The school will provide written instructions to the parent and guardian regarding appropriate treatment for the communicable disease.

A student excluded because of a communicable disease will be permitted to return to school only when the parent or guardian brings to the school a letter from the student’s doctor stating that the student is no longer contagious or at risk of spreading the communicable disease. (PRESS 7:280, Communicable and Chronic Infectious Disease; PRESS 7:280-AP, Managing Students with Communicable or Infectious Diseases)

#### **5.60 – HEAD LICE** (Updated: November 2016)

The school will observe the following procedures regarding head lice.

1. Parents are required to notify the school nurse if they suspect their child has head lice.
2. Infested students will be sent home following notification of the parent or guardian.
3. The school will provide written instructions to parent or guardian regarding appropriate treatment for the infestation.
4. A student excluded because of head lice will be permitted to return to school only when the parent or guardian brings the student to school to be checked by the school nurse or building principal and the child is determined to be free of the head lice and eggs (nits). Infested children are prohibited from riding the bus to school to be checked for head lice. (PRESS 7:250 API, Measures to Control the Spread of Head Lice at School)

### **STUDENT SAFETY FROM ABDUCTION**

Parents should instruct their children in ways to recognize the dangers of abduction and/or sexual abuse and what to do if they are confronted with a situation that could lead to either. If someone attempts to detain them on the way to or from school, children should go quickly to the nearest house to seek adult help. The school wants to be notified of any possible abduction attempts so protection can be maximized for all students.

### **SAFETY TO AND FROM SCHOOL**

Please encourage your child to observe safety rules when walking or riding a bicycle to school. It would be helpful if parents would assist students in establishing a route to and from school. This insures the child knows the safest route and can be found quickly if needed.

## **DISCIPLINE & CONDUCT**

#### **6.10 – GENERAL BUILDING CONDUCT** (Updated: November 2009)

Students shall not arrive at school before 7:30 a.m. and classes begin at 8:10 a.m. and students are dismissed at 2:50 p.m. each day. The following rules shall apply, and failure to abide by the rules may result in discipline:

- Students are not to wear anything covering their heads inside the building, during the day. Caps/hats/head wraps/dorags are to be kept in the lockers. These items should not be shared. They will be confiscated for multiple infractions. Students who do not refrain from wearing items covering their heads, will be required to keep those items in their locker during the school day.
- Students shall not run, talk loudly or yell in the hallways nor shall they push, shove or hit others.
- Students shall not write on walls, desks or deface or destroy school property.
- Skateboards are not permitted at school. Roller skates are not allowed at school, including tennis shoes with folding or hidden wheels.
- Water guns, play guns, and/or real guns are not permitted at school.
- No radios, tape players, CD players, cameras are permitted without permission from the principal.

### **SCHOOL LOCKERS**

1. The school assigns hall lockers for EJHS students and some EIS students. With our cameras in place, the need for locks on the lockers is less. If available, students may request and rent an additional locker (for \$10) but this must go through the office. Items found in unassigned lockers will be removed and students are responsible for items in lockers they are assigned.

2. Lockers are assigned for the storage and protection of student belongings. They are not, however, private property. Items stored in lockers must be appropriate for school use and be in line with all school regulations. Valuables should not be kept in lockers for any reason.
3. For personal protection students must not trade lockers. Student locker numbers are on file and students are responsible for the items contained in their assigned lockers. The lockers are the property of the school and the school reserves the right to search and seize any inappropriate or illegal items at any time.
4. Students must open and close the lockers properly and refrain from kicking, slamming or prying on the lockers. Infractions of this will result in consequences.
5. Students are expected to keep lockers clean and orderly. Students are not to slam, yank, or kick the lockers. Nothing is to be posted in or outside lockers without the principal's permission.
6. **STUDENTS ARE TO PUT ALL BOOKS, BAGS, COATS, ETC. IN THEIR LOCKERS. NOTHING IS TO BE LEFT ON THE FLOOR. ITEMS LEFT ON THE FLOOR, ON LIBRARY TABLES, OR IN CLASSROOMS WILL BE COLLECTED AND REMOVED.** *Items left in the lost and found for more than one month will be donated to local churches or charity organizations. Students are responsible for checking the lost and found on a regular basis. Parents are also welcome to check the lost and found.*

#### **USE OF TELEPHONE**

School phones are for school business. Student's use of the phone is only for urgent and emergency situations. Students should plan ahead and arrange with parents at home when they want to remain after school for meetings, stay overnight with a friend, etc. Students may not use the school phone without permission. Cellular telephones cannot be used at school during the instructional school day. (Cell phones should be kept in the locker or out of site during the school day or they will be confiscated and returned to a parent.) **Cell phones should not be used during lunch or passing periods. Phones should be turned from the first bell to the last bell.** Please do not call your child on his/her cell phone during the school day. If there is an **emergency**, please contact the school and we will pass the message to your child. Teacher permission must be given for a student to use a cell phone during the school day.

#### **6.20 – SCHOOL DRESS CODE & STUDENT APPEARANCE** (Updated: November 2009)

Students are expected to wear clothing in a neat, clean, and well-fitting manner while on school property and/or in attendance at school sponsored activities. Students are to use discretion in their dress and are not permitted to wear apparel that causes a substantial disruption in the school environment.

- Items of clothing must not display language in violation of school rules and regulations. Messages and graphics on clothing must not be offensive, suggestive or provocative in any way. Clothing must not advertise cigarettes, alcohol, or other companies or things deemed inappropriate by the administration.
- Student dress (including accessories) may not display lewd, vulgar, obscene, or offensive language or symbols, including gang symbols.
- Hats, coats, bandannas, sweat bands, and sun glasses may not be worn in the building during the school day.
- Hair styles, dress, and accessories that pose a safety hazard are not permitted in the shop, laboratories, or during physical education.
- Clothing with holes, rips, tears, and clothing that is otherwise poorly fitting, showing skin and/or undergarments may not be worn at school.
- The length of shorts or skirts must be appropriate for the school environment. Shorts and skirts must be no shorter than a student's fingertips when arms are held straight to one's side.
- Girls may not wear shirts with spaghetti straps and boys may not wear muscle shirts. Straps on sleeveless shirts should be at least three finger-widths wide as a guide.
- Pants should be worn at natural waist with no undergarments showing. In all cases, shirts should meet and cover the waistband of the pants. Bellies and backs should not be seen--even when arms are raised. This applies to all students regardless of gender.
- Excessively torn or worn clothing that allows undergarments to show or which displays skin that should be covered as stated in other clothing guidelines is not acceptable.
- Appropriate footwear must be worn at all times.
- If there is any doubt about dress and appearance, the building principal will make the final decision.
- Student whose dress causes a substantial disruption of the orderly process of school functions or endangers the health or safety of the student, other students, staff or others may be subject discipline.

#### **DRESS CODE**

While the need for individual expression is recognized, schools must provide an environment free of distraction whenever possible. Closely following the school dress code will insure that students of both genders are more comfortable and free to concentrate on the tasks of students. Separate guidelines may be provided for formal dress events or dances.

- Sunglasses are not to be worn in the classrooms or school building. They are to be left in the student's locker. Physical Education teachers can allow use of sunglasses at their discretion for outdoor play.
- **Final determination of acceptable clothing lies with the principal.**
- **Best rule of thumb when choosing clothing to wear to school or school events: "If in doubt--don't".**

**Both EJHS and EIS students are encouraged to dress for comfort and ease of movement. Students will be participating in physical education and/or recesses and outdoor play where restrictive or inappropriate clothing may cause a safety hazard. High heels, boots, and other uncomfortable shoes or excessive accessories that require attention and maintenance may also create a distraction or barrier to learning. Please keep this in mind when assisting students in making good choices each day.**

If a student is unable to correct the problem at school, students may be given acceptable clothing to wear, be asked to turn shirts inside out, or may need to contact parents to have them bring acceptable garments. Students who continually violate these guidelines will be subject to Progressive Consequences.

**\*\*Cell phones and music players** are generally prohibited during the school day. *Students may not use these items during the instructional school day at the junior high or at any time in the intermediate building without specific teacher permission. Cellphones should not be seen or used in the hallways and can only be used in the classrooms for academic purposes as outlined by the teacher. Cell phones may NOT be used*

at lunch; once they are put away at the beginning of the instructional day, they cannot be accessed until after leaving the building after the final dismissal at the end of the day. It is the student's responsibility if they carry a phone to follow the teacher's rules and guidelines for use and storage in each classroom. Students also may not use phones in the restroom or other inconspicuous areas of the school at any time. The office phone may be used if needed during the school day with permission of a school staff member.

In the case of electronic equipment or toys (with the exception of cell phones and high ticket items which are returned only to parent): First offense: Item is given back at the end of the week. Second offense: Item is given back at the end of the year or to a parent upon request.

**Computer based tablets, IPADs, or e-readers may be allowed with the permission of the teacher(s). These must be registered in the office.** *Use of these items must be within the rules of the classroom and for the purpose of academics. They may be asked to be turned off, put away or will also be confiscated if disruptive or non-academic use continues after warning.*

**Cell phones, electronic equipment and other items of value will be returned only to the parents. Students who use the items during the school day will have the item confiscated and will also serve consequences for repeated offenses unless pre-approved for use and registered in the office**

15. **Defiance – choosing not to follow the directives given by a school employee.** The student will be subject to consequences on the Progressive Consequences Scale, with consequences matching the severity of the action. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a staff member's request to stop, present school identification or submit to a search.
- Cheating – claiming other students' work as one's own.** Students will lose credit for the assignment/test and will be subject to progressive consequences. The student sharing the work may also lose credit for the work and be given similar consequences if the work was shared willingly for the purpose of cheating. The student will be subject to consequences on the Progressive Consequences scale, with consequences matching the severity of the action. Authorities may be notified if the action takes place outside of school property.
17. Engaging in any sexual activity, including without limitation, offensive touching, sexual harassment, indecent exposure (including mooning) and sexual assault.

20. Entering school property or a school facility without proper authorization.
21. **False Reporting:** In the absence of a reasonable belief that an emergency exists, calling emergency responders (calling 9-1-1); signaling or setting off alarms or signals indicating the presence of an emergency; or indicating the presence of a bomb or explosive device on school grounds, school bus or at any school activity.

27. Making an explicit threat on an Internet website against a school employee, a student, or any school-related personnel if the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.
28. Operating an unarmed aircraft system (AUS) or drone for any purpose on school grounds or at any school event unless granted permission by the building principal.

For purposes of these rules, the term "possession" includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student's person; (b) contained in another item belonging to, or under the control of, the student, such as in the student's clothing, backpack, or automobile; (c) in a school's student locker, desk, or other school property; (d) at any location on school property or at a school-sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.

The purpose of this policy is to promote a positive, constructive learning environment for all students in the Elverado Junior High and to offer guidelines to the staff in the management of serious instances of misbehavior. Efforts, including the use of positive interventions and supports shall be made to deter students, while at school or a school-related event, from

engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. This policy clearly outlines the types of conduct for which students may be liable for disciplinary action. **Violations will result in Progressive Consequences.**

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

#### **WHEN & WHERE CONDUCT RULES APPLY**

The grounds for disciplinary action also apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property; or
5. During periods of remote learning.

#### **DISCIPLINARY MEASURES**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

- Notifying parents/guardians.
- Disciplinary conference.
- Withholding of privileges.
- Temporary removal from the classroom.
- Return of property or restitution for lost, stolen or damaged property.
- In-school suspension.
- After-school study or Saturday study provided the student's parent/guardian has been notified. (If transportation arrangements cannot be made in advance, an alternative disciplinary measure will be assigned to the student.)
- Community service.
- Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
- Suspension of bus riding privileges.
- Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.
- Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds.
- Transfer to an alternative program if the student is expelled or otherwise qualifies for transfer under State law.
- Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), "look-alikes," alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

#### **ISOLATED TIME OUT, TIME OUT AND PHYSICAL RESTRAINT**

Isolated time out, time out, and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. The school may not use isolated time out, time out, and physical restraint as discipline or punishment, convenience for staff, retaliation, a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others.

#### **CORPORAL PUNISHMENT**

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property. *As per board policy 7:190 Student Discipline, neither isolated time-out nor physical restraint shall be used a form of punishment.*

#### **WEAPONS PROHIBITION**

Students will be subject to suspension and possible expulsion as outlined in the board policy. Authorities may be contacted. Look-alike weapons are also in this category. The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years:

- (1) A firearm, meaning any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section

24-1 of the Criminal Code of 1961. The expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

- (2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above.

### **GANG & GANG ACTIVITY PROHIBITED**

"Gang" is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student's conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or non-verbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person.

The student will be subject to consequences on the Progressive Consequences Scale, with consequences matching the severity of the action.

### **RE-ENGAGEMENT OF RETURNING STUDENTS**

The building principal or designee shall meet with a student returning to school from an out-of-school suspension, expulsion or alternative school setting. Access entails responsibility.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. Students must comply with district standards and honor the agreements they have signed.

Network storage areas are not private. Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly.

## **INTERNET, TECHNOLOGY & PUBLICATIONS**

### **7.10 – INTERNET ACCEPTABLE USE** (Updated: November 2010)

#### **Internet Acceptable Use**

All use of electronic network use must be consistent with the school’s goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. These rules do not attempt to state all required or proscribed behavior by users. However, some specific examples are provided. The failure of any user to follow these rules will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

**Acceptable Use** – Access to the electronic network must be: (a) for the purpose of education or research, and be consistent with the District’s educational objectives, or (b) for legitimate business use.

**Privileges** – The use of the electronic network is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. His or her decision is final.

**Unacceptable Use** – The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:

1. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any State or federal law;

13. Using the network while access privileges are suspended or revoked.

**Network Etiquette** – The user is expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not become abusive in messages to others.
2. Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
3. Do not reveal personal information, including the addresses or telephone numbers, of students or colleagues.

6. Consider all communications and information accessible via the network to be private property.
7. No Warranties – The school and district make no warranties of any kind, whether expressed or implied, for the service it is providing. The school and district are not responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The school and district specifically deny any responsibility for the accuracy or quality of information obtained through its services.

**Indemnification** – The user agrees to indemnify the school and district for any losses, costs, or damages, including reasonable attorney fees, incurred by the school or district relating to, or arising out of, any violation of these procedures.

**Security** – Network security is a high priority. If the user can identify a security problem on the Internet, the user must notify the system administrator or building principal. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Any user identified as a security risk may be denied access to the network.

1. For each re-publication (on a Web site or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
2. Students engaged in producing Web pages must provide library media specialists with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of "public domain" documents must be provided.
3. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Web site displaying the material may not be considered a source of permission.

**Use of EMail** – The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the School District. The School District provides email to aid students as an education tool.

1. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
2. Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
3. Electronic messages transmitted via the school district's Internet gateway carry with them an identification of the user's Internet "domain." This domain name is a registered domain name and identifies the author as being with the school district. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the school and district. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
4. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
5. Use of the School District's email system constitutes consent to these regulations.

**7.40 – ANNUAL NOTICE TO PARENTS ABOUT EDUCATIONAL TECHNOLOGY** (Updated: July 2020)

This is to provide notice to parents/guardians about educational technology vendors pursuant to the Student Online Personal Protection Act, 105 ILCS 85/28(e), added by P.A. 101-516, eff. 7-1-21. Beginning with the 2021-2022 school year, school districts must provide this notice to parents/guardians at the beginning of each school year through distribution of school handbooks or other means generally used by a district to provide such notices to parents/guardians.

School districts throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies, and increasing efficiency in school operations.

Under Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as operators. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as school districts and the Ill. State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our District may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student's information or from engaging in targeted advertising using a student's information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

1. Basic identifying information, including student or parent/guardian name and student or parent/guardian contact information, username/password, student ID number
2. Demographic information
3. Enrollment information
4. Assessment data, grades, and transcripts
5. Attendance and class schedule
6. Academic/extracurricular activities
7. Special indicators (e.g., disability information, English language learner, free/reduced meals or homeless/foster care status)
8. Conduct/behavioral data
9. Health information
10. Food purchases
11. Transportation information
12. In-application performance data
13. Student-generated work
14. Online communications
15. Application metadata and application use statistics
16. Permanent and temporary school student record information

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

1. Instruction in the classroom or at home (including remote learning)
  2. Administrative activities
  3. Collaboration between students, school personnel, and/or parents/guardians
  4. Other activities that are for the use and benefit of the school district

## SEARCH & SEIZURE

### 8.10 – SEARCH AND SEIZURE (Updated: November 2019)

**Search and Seizure:** In order to maintain order safety and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. “School authorities” includes school liaison police officers.

**School Property and Equipment as well as Personal Effects Left There by Students:** School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

The building principal may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

**Students Searches:** School authorities may search a student and/or the student’s personal effects in the student’s possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the school or district’s student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student’s age and sex, and the nature of the infraction.

School officials may require a student to cooperate in an investigation if there is specific information about activity on the student’s account on a social networking website that violates the school’s disciplinary rules or school district policy. In the course of the investigation, the student may be required to share the content that is reported in order for the school to make a factual determination. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student’s account or profile on a social networking website.

**Seizure of Property:** If a search produces evidence that the student has violated or is violating either the law or the school or district’s policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

**Questioning of Students Suspected of Committing Criminal Activity:** Before a law enforcement officer, school resource officer, or other school security person detains and questions on school grounds a student under 18 years of age who is suspected of committing a criminal act, the building principal or designee will: (a) Notify or attempt to notify the student’s parent/guardian and document the time and manner in writing; (b) Make reasonable efforts to ensure the student’s parent/guardian is present during questioning or, if they are not present, ensure that a school employee (including, but not limited to, a social worker, psychologist, nurse, guidance counselor, or any other mental health professional) is present during the questioning; and (c) If practicable, make reasonable efforts to ensure that a law enforcement officer trained in promoting safe interactions and communications with youth is present during the questioning. The grade shall reflect the student's quarterly grade up to the date of the report.

### 11.20 – STUDENT RECORDS (Updated: July 2020)

A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction or by a school employee, regardless of how or where the information is stored, except for certain records kept in a staff member's sole possession; records maintained by law enforcement officers working in the school; video and other electronic recordings (including electronic recordings made on school busses) that are created in part for law enforcement, security, or safety reasons or purposes, though such electronic recordings may become a student record if the content is used for disciplinary or special education purposes regarding a particular student.

The Family Educational Rights and Privacy Act (FERPA) and the Illinois Student Records Act afford parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student's school records. They are:

1. **The right to inspect and copy the student's education records within 10 business days of the day the District receives a request for access.** The degree of access a student has to his or her records depends on the student's age. Students less than 18 years of age have the right to inspect and copy only their permanent record. Students 18 years of age or older have access and copy rights to both permanent and temporary records. A parent/guardian or student should submit to the building principal a written request that identifies the record(s) he or she wishes to inspect. Within 10 business days, the building principal will make arrangements for access and notify the parent/guardian or student of the time and place where the records may be inspected. In certain circumstances, the District may request an additional 5 business days in which to grant access. The District charges \$.35 per page for copying but no one will be denied their right to copies of their records for inability to pay this cost. These rights are denied to any person against whom an order of protection has been entered concerning the student.
2. **The right to request the amendment of the student's education records that the parent/ guardian or eligible student believes are inaccurate, irrelevant, or improper.** A parent/guardian or eligible student may ask the District to amend a record that is believed to be inaccurate, irrelevant, or improper. Requests should be sent to the building principal and should clearly identify the record the parent/guardian or eligible student wants changed and the specific reason a change is being sought. If the District decides not to amend the record, the District will notify the parent/guardian or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment.
